

Our Ethics.

With 100% of concrete products made in Shropshire, we believe in paying our suppliers on time to ensure a clean supply chain, where everyone is happy. We pay our taxes and look to support our local communities in employment and belong to the Shropshire Chamber of Commerce, as well as the Mineral Products Association.

Our products are made to the relevant British and Industry Standards, with many made to last over 100 years and as full members of the MPA (Mineral Products Association) – the trade association for the aggregates, asphalt, cement, concrete, dimension stone, lime, mortar and silica sand industries, as such, we are committed to best practice, sustainability and the sharing of knowledge, to ensure the future of the industry.
