

Social Value

As a responsible UK business, we believe in supporting the community, this includes supporting local charity partners and clubs, employing from the local community and donating products for community projects.

Charity Events

Our team has supported the local food bank, who provide emergency food and support to people less fortunate than ourselves.

We raise funds for various charities throughout the year, including the Wear It Pink Breast Cancer appeal, Wear It Green for Dwarfism awareness day, Children in Need Christmas Jumper Day and other charitable events.

Sporting Clubs

We support local community sporting clubs with funds towards their uniforms and new equipment.

Community Projects

We have donated products to local community projects that benefit our neighbourhoods and to the local scouting community.

Employment

Over 90% of our team are employed from the local area and as member of the Shropshire Chamber of Commerce we are committed to supporting the local area.

Apprenticeships

At Elite, we run an apprenticeship programme where members learn real-life work skills, as well as gaining an education.

Future careers

We strive to inspire those who are looking to develop future careers in the agriculture, infrastructure and built environment and work with local colleges and universities and are open to work experience students.
