Corporate Social Responsibility Policy

Our Principles:

We recognise that we must integrate our business values and operations to meet the expectations of our stakeholders. They include customers, employees, regulators, suppliers, the community and the environment.

- We recognise that our social, economic and environmental responsibilities to these stakeholders are integral to our business. We aim to demonstrate these responsibilities through our actions and within our corporate policies.
- We take seriously all feedback that we receive from our stakeholders and, where possible, maintain open dialogue to ensure that we fulfil the requirements outlined within this policy.
- We shall be open and honest for the implementation of this policy and will make the necessary resources available to realise our corporate responsibilities. The responsibility for our performance to this policy rests with all employees throughout the company.
